Class Visitors

Class visitors, such as guest lecturers, are welcome and the Department will cover the cost of their parking on Campus. Visitors should be instructed to park in the Ellis Parking Garage, and should enter from the Ellis side of the building. The Greenwood entrance is for individuals with permits. If public parking in the Ellis Garage is full, you might instruct the individual to find street parking. The best place might be North of 55th Street on University Avenue. Please ask visitors to submit original receipts to the Department Assistant.
